

Learn to speak Malayalam using audio:

- Learn to speak Malayalam using audio spoken by a native speaker fluent in the language
- Learn many Malayalam vocabulary and Malayalam expressions
- Learn using audio material and Text Manual. The audio and Text Manual can either be used together (recommended) or separately.
- In the audio there are many Malayalam words and phrases.
- The audio lets you hear and become accustomed to the sounds of the Malayalam language

Here are some of the things you will learn from the Malayalam audio:

- Learn how to say hello and learn other Malayalam greetings
- Learn to tell someone you are finished
- Learn how to say goodbye
